<u>Guided Tours:</u> Must be reserved at least 2 weeks in advance and are available to groups of 10 or more. Group Tours spots are full and no longer available during January, February, and March of 2024.

<u>Guided tours are available upon docent availability between October – May.</u> Tours are 1 to 1.5 hours long, starting between 10 am- 3 pm, & offer insight into our tropical flora, exotic birds, and 100+ year history.

a. Tours are not guaranteed as they are based on volunteer docent participation. If we procure a volunteer docent(s) for your group we will let you know as soon as we can, otherwise your visit may be self-guided with the option of a self-guided scavenger hunt at no additional charge. If this is the case, the self-guided discount of \$1 off each admission will be applied.
